

TRAIL ETIQUETTE

Help make multi-use trails safe for everyone by following these guidelines:

Be Courteous

All trail users should be respectful of others regardless of speed, skill level or mode of travel – bicycle, wheelchair, on foot, etc.

Keep Right

Stay to the right, and keep pets on your right-hand side so they don't interfere with other users.

Pass on the Left

Pass other trail users on their left. Give an audible signal before passing, either by voice (e.g., "On Your Left") or other means (e.g., bell, horn). Pay special attention when passing children and pets.

Stopping

Move to the right when stopping. If possible, exit the trail. Be cautious of others approaching from behind and make sure they know you are pulling over.

Be Predictable

Travel in a consistent and predictable manner. Always look behind you before changing positions on the trail.

Don't Block the Trail

When in a group or with pets, use no more than half of the trail. Do not block the flow of other users.

Obey All Traffic Signs and Signals

Use extra caution where trails cross streets. Stop at all signs and intersections. When entering or crossing a trail, yield to other users.

To contact a park ranger for non-emergencies, call 330-643-2181.
For emergencies, call 911.
