SPECIAL-USE PERMIT INFORMATION

Individuals and/or groups may be required to secure a permit to conduct certain activities within the park district. A prospective park user shall apply for a special-use permit on the attached application. **This form shall be submitted to the park district's administrative offices no later than four (4) weeks prior to the date of the use requested.** Uses requiring the closure of roadways, pavilions or shelters must be submitted no later than seven (7) months in advance of the intended use.

The director-secretary shall consider requests for special uses and either grant or deny a permit for the use. **The park district may require an applicant to provide a certificate of liability insurance.** The park district may also require the applicant to pay a fee for the permit depending upon the nature of the use and its impact on the park. The fee may include any cost to the park district resulting from the use. See fee schedule below.
