- At a mandatory pre-hunting meeting, qualified archers will be issued a special-use permit, allowing access to a specified conservation area. No one else will be granted access to the area during the specified time period. Permits will be issued by the park district's director-secretary.
- Archers will be drawn by lottery Friday, July 29, 2011, and are allowed up to two adult guests and three juveniles (also Summit County residents). Each must pass a proficiency test to participate in the program. To pass the test, an archer must achieve a score of 40 from 20 yards or 45 from 10 yards, with five shots at an 8-inch target. Archers MUST qualify with the bow or crossbow they will hunt with.
- Deer may only be harvested with a bow and arrow or crossbow and bolt. The archery equipment used must follow guidelines established by the Ohio Division of Wildlife.
- Only Summit County residents may participate in the archery program.
