

# REGIONAL NATIVE PLANT LIST

This list of species was generated from a USDA PLANTS Database query and contains all species, subspecies, varieties and hybrids currently recognized in the PLANTS database, and considered native in at least one of the states included in the query. They are listed by national common name. Please remember, there are often a dozen or more common and scientific synonyms per species that are in constant flux over time and by institution and vendor.

This query is for states with significant coverage within the Eastern Temperate Forest biome. The plants listed are native to one or several of the following states or districts: AL, AR, CT, DE, FL, GA, IL, IN, KY, ME, MD, LA, MA, MI, MS, MO, NJ, NC, OH, PA, RI, SC, TN, TX, VA, WV, WI, and the District of Columbia. These plants are considered native to the States which comprise the Eastern Temperate Forest biome, but not every species on this list is native to this biome. Users should be advised that while none of the species pose ecological risks within this biome, not all of the species are likely to survive in this biome.

| Common Name                | Scientific Name     |                     | Subspecies, Variety, Form,<br>and/or Parental Lines |
|----------------------------|---------------------|---------------------|---|
|                            | Genus               | Species             |   |
| balsam fir                 | <i>Abies</i>        | <i>balsamea</i>     |   |
| balsam fir                 | <i>Abies</i>        | <i>balsamea</i>     | var. <i>balsamea</i>                                |
| balsam fir                 | <i>Abies</i>        | <i>balsamea</i>     | var. <i>phanerolepis</i>                            |
| white fir                  | <i>Abies</i>        | <i>concolor</i>     |   |
| Fraser fir                 | <i>Abies</i>        | <i>fraseri</i>      |   |
| California red fir         | <i>Abies</i>        | <i>magnifica</i>    |   |
| flatspike sedge            | <i>Abildgaardia</i> | <i>ovata</i>        |   |
| Amelia's sand verbena      | <i>Abronia</i>      | <i>ameliae</i>      |   |
| purple sand verbena        | <i>Abronia</i>      | <i>angustifolia</i> |   |
| Carleton's sand verbena    | <i>Abronia</i>      | <i>carletonii</i>   |   |
| snowball sand verbena      | <i>Abronia</i>      | <i>fragrans</i>     |   |
| largefruit sand verbena    | <i>Abronia</i>      | <i>macrocarpa</i>   |   |
| shrubby Indian mallow      | <i>Abutilon</i>     | <i>abutiloides</i>  |   |
| Berlandier's Indian mallow | <i>Abutilon</i>     | <i>berlandieri</i>  |   |
| Texas Indian mallow        | <i>Abutilon</i>     | <i>fruticosum</i>   |   |
| mauve                      | <i>Abutilon</i>     | <i>hulseanum</i>    |   |

|                            |                      |                       |                                 |
|----------------------------|----------------------|-----------------------|---------------------------------|
| whiteleaf Indian mallow    | <i>Abutilon</i>      | <i>hypoleucum</i>     |                                 |
| yellow Indian mallow       | <i>Abutilon</i>      | <i>malacum</i>        |                                 |
| Sonoran Indian mallow      | <i>Abutilon</i>      | <i>mollicomum</i>     |                                 |
| dwarf Indian mallow        | <i>Abutilon</i>      | <i>parvulum</i>       |                                 |
| coastal Indian mallow      | <i>Abutilon</i>      | <i>permolle</i>       |                                 |
| anglestem Indian mallow    | <i>Abutilon</i>      | <i>trisulcatum</i>    |                                 |
| Wright's Indian mallow     | <i>Abutilon</i>      | <i>wrightii</i>       |                                 |
| prairie acacia             | <i>Acaciella</i>     | <i>angustissima</i>   |                                 |
| Chisos prairie acacia      | <i>Acaciella</i>     | <i>angustissima</i>   | var. <i>chisosiana</i>          |
| prairie acacia             | <i>Acaciella</i>     | <i>angustissima</i>   | var. <i>hirta</i>               |
| whitehair acacia           | <i>Acaciella</i>     | <i>leucothrix</i>     |                                 |
| bastard copperleaf         | <i>Acalypha</i>      | <i>chamaedryfolia</i> |                                 |
| Deam's threeseed mercury   | <i>Acalypha</i>      | <i>deamii</i>         |                                 |
| slender threeseed mercury  | <i>Acalypha</i>      | <i>gracilens</i>      |                                 |
| slender threeseed mercury  | <i>Acalypha</i>      | <i>monococca</i>      |                                 |
| round copperleaf           | <i>Acalypha</i>      | <i>monostachya</i>    |                                 |
| New Mexico copperleaf      | <i>Acalypha</i>      | <i>neomexicana</i>    |                                 |
| pineland threeseed mercury | <i>Acalypha</i>      | <i>ostryifolia</i>    |                                 |
| shrubby copperleaf         | <i>Acalypha</i>      | <i>phleoides</i>      |                                 |
| Poiret's copperleaf        | <i>Acalypha</i>      | <i>poiretii</i>       |                                 |
| cardinal's feather         | <i>Acalypha</i>      | <i>radians</i>        |                                 |
| common threeseed mercury   | <i>Acalypha</i>      | <i>rhomboidea</i>     |                                 |
| Cuban copperleaf           | <i>Acalypha</i>      | <i>setosa</i>         |                                 |
| Virginia threeseed mercury | <i>Acalypha</i>      | <i>virginica</i>      |                                 |
| triangle cactus            | <i>Acanthocereus</i> | <i>tetragonus</i>     |                                 |
| Freeman maple              | <i>Acer</i>          | <i>× freemanii</i>    | [ <i>rubrum × saccharinum</i> ] |
| southern sugar maple       | <i>Acer</i>          | <i>floridanum</i>     |                                 |
| bigtooth maple             | <i>Acer</i>          | <i>grandidentatum</i> |                                 |
| bigtooth maple             | <i>Acer</i>          | <i>grandidentatum</i> | var. <i>grandidentatum</i>      |
