

Looking for a service project for your co-workers, students, or group members? Group projects with Summit Metro Parks are generally scheduled from late March through early November. They could include painting, mulching, trash cleanup, invasive plant removal, racking, or cleaning to name a few. Please allow for 2-5 weeks lead time.

To coordinate a service project, please email volunteer@summitmetroparks.org with the following information:

- Group Name
- Main contact information (name, phone, and email)
- Preferred dates and times (include if a weekday/weekend is needed as well as length of service, full or half day)
- Approximate number of participants (youth, adult)
- Preferred location if any
- We also require each participant to complete the appropriate waivers and releases. These forms will be emailed to you once a project is confirmed. The completed forms should be brought with you and returned to staff upon arrival at your project.
- Any other information that you think would be helpful in researching potential opportunities, such as:
 - The purpose of your project
 - Requirements of your program
 - Areas of interest (any absolute no goes)
 - Budget you may have for project supplies

Thank you again for your interest. We look forward to working with you to find your group a meaningful volunteer service project.
