

PUBLIC NOTICE

The Summit Metro Parks, in conjunction with the Ohio Emergency Management Agency (OEMA) and the Federal Emergency Management Agency (FEMA) has applied for a Unified Hazard Mitigation Program Project for the replacement of a culvert and the restoration and stabilization of several sections of stream channel adjacent to Sand Run Parkway in Sand Run Metro Park to mitigate future roadway damage.

Under the National Environmental Policy Act (NEPA), EO 11988 and EO 11990, public notice is required of any federal actions that affect floodplains or wetlands. All necessary permits will be obtained prior to construction and completion of the project.

The objectives of the Unified Hazard Mitigation Program are to prevent future losses of lives and property, to implement state or local Hazard Mitigation plans, to enable mitigation measures to be implemented during immediate recovery from disaster, and to provide funding for identified and approved hazard mitigation projects.

Public participation is encouraged. Interested parties and/or citizens are invited to comment on the project either in writing to:

Duane Castaldi, Regional Environmental Officer
FEMA Region V
536 South Clark Street, 6th Floor
Chicago, IL 60605

Or comments may be directed via e-mail to Mr. Castaldi: Duane.Castaldi@fema.dhs.gov
