### **SUMMIT METRO PARKS PARTNERS WITH AKRON BLACK ARTIST GUILD TO CREATE OUTDOOR ART**

*Art in the Park Collective brings exclusive programming to park district.*

Join the park district this spring and summer for exclusive programming brought to you by a collaboration between Summit Metro Parks and Akron Black Artist Guild.

On May 14 at Summit Lake Nature Center and May 21 at F.A. Seiberling Nature Realm Visitors Center, **Nature-Inspired Jewelry** program participants will have the opportunity to make a pair of earrings with polymer clay, led by local jewelry designer Randi Mull, owner of Studio Syven. Registration is required and begins May 4 and May 12, respectively.

In June, join again for Plein Air Workshops, which are designed to investigate and capture your impression of our natural environment through outdoor painting.
