

# MAKING TRACKS

*How to make a plaster cast.*

## SUPPLIES

- Plaster of Paris
- Plastic baggie
- Water
- Stick
- 1 1/2" X 14" cardboard strip stapled/paper clipped into a circle (cut from old cereal box)

## INSTRUCTIONS

*Step 1* - Carefully place the cardboard circle around the track.

*Step 2* - In the baggie: mix 2 parts Plaster of Paris and 1 part water into a batter-like consistency, then carefully pour over the track.

*Step 3* - Smooth the top of plaster. Let sit for 30 minutes.

*Step 4* - Carefully lift mold. Dry completely for 24 hours. Brush off sand/dirt.
