

Looking for a service project for your co-workers, students, or group members? Group projects with Summit Metro Parks (SMP) are generally scheduled from late March through early November. Projects could include habitat restoration, park cleanups, painting and mulching to name a few. Please allow for at least a five-week lead time.

To explore a service project, please email [volunteer@summitmetroparks.org](mailto:volunteer@summitmetroparks.org) with the following information:

- Group Name
- Main contact information (name, phone, and email)
- Preferred dates and times (include if a weekday/weekend is needed as well as length of service)
- Approximate number of participants (youth, adult)
- Preferred location if any
- Any other information that you think would be helpful in researching potential opportunities, such as:
  - The purpose of your project
  - Requirements of your program
  - Projects of most interest
  - Budget you may have for project supplies

Please note that we require each participant to complete an agreement/release. This form will be emailed to you once a project is confirmed. The completed forms should be submitted to SMP in advance of the project start.

Thank you again for your interest. We look forward to working with you to explore a possible volunteer service project.

~SMP Volunteer Program staff
