E. AUTHORIZATION TO ADVERTISE FOR QUALIFICATIONS FOR THE 2025 DISTRICT-WIDE RESTROOM REPLACEMENT DESIGN SERVICES

Due to deterioration, maintenance, and location issues of many of our existing free-standing vault restrooms, planning staff would like to replace four restrooms in 2025-2026. The four restrooms to be replaced are located at O'Neil Woods Metro Park, Goodyear Heights Metro Park – Pioneer Area, Sand Run Metro Park – Big Bend Area, and Sand Run Metro Park – Old Portage Area. These restroom replacements will include ADA accessibility upgrades and upgrades to other trailhead amenities.

Planning staff have created concept plans for each area and would like to advertise for qualifications from design and engineering firms to develop biddable construction documents for permitting and construction.

Once the most qualified firm has been identified, staff will negotiate a fee for the proposed work. The Board will be asked at a future meeting for permission to award the proposed work.

The Executive Director requested authorization to advertise for qualifications from design and engineering firms to use our concept plans and create construction documents for permitting and construction for four district-wide restrooms and trailheads.

Construction plans have been assembled for the replacement of bridge #FT-B02 on the Freedom Trail located approximately 0.25 miles west of Southwest Avenue in Tallmadge.

The bridge is in the old rail corridor and has fallen into disrepair. Recent annual safety inspections rate the bridge in poor condition and recommend replacement. Construction plans, calculations, and specifications have been prepared to remove the existing structure and replace it with a precast concrete box culvert. The anticipated cost of the project is \$430,000 and is in the 2025 budget.

The Executive Director requested authorization to advertise for bids for the replacement of bridge #FT-B02 on the Freedom Trail located approximately 0.25 miles west of Southwest Avenue in Tallmadge.

G. AUTHORIZATION TO ORDER SHIELDS FOR 2025 FALL HIKING SPREE

The Summit Metro Parks Fall Hiking Spree is a treasured annual tradition for tens of thousands of residents and one of the park district's most successful means of connecting people to nature. This year for the 62nd annual event, we will once again offer rewards for finishers of the spree. First year hikers receive a hiking staff and commemorative shield, and each year after hikers receive the commemorative shield. Due to rising material costs, we've experienced an increase in price for these shields necessitating board purchasing approval. Local vendor Sackmann Stamp remains the single-source provider of this type of product and is a trusted company with extensive experience creating these pieces.

The Executive Director requested approval to purchase a total of 15,500 hiking shields for the 2025 Fall Hiking Spree from Sackmann Stamp at a cost not to exceed \$26,670.

May is complete! The Nature Realm was buzzing with school-age children this month! Over the course of four weeks, naturalists led 500 students in activities to learn about habitats, wildlife homes, adaptations and ecosystems. Each grade level has a unique curriculum that meets the Ohio State Science Standards. As a bonus, many of the students that were not able to be in-person at our park were able to meet our animal ambassadors and continue their lessons in their classrooms.

Community Engagement would like to thank Friends of Metro Parks for their support in our Park Careers program series. Each region provides a day of outdoor learning for students around Summit County. FOMP was able to support students through lunch and bus fees. CE appreciates each department that demonstrated their park career through planning activities, drone flight, fish surveys, and operations equipment. The park staff did an incredible job of including all students in each activity.

In addition to school group visits and career days, many visitors enjoyed the beautifully landscaped Rock & Herb Garden and Arboretum over Mother's Day weekend and graduation picnics.

Impact

0

The volunteer department has the unique opportunity to interact with people choosing to volunteer for many reasons and is privileged to witness the beauty of empowering volunteers to meet their goals. Recently, an episodic volunteer became involved with SMP as part of their mental health journey. After the loss of a spouse and an unexpected career change, they decided they could not control the changes that were impacting them, but they could control their own impact. They shared with staff that not only have they been enjoying exploring ways of volunteering, but their mental health has improved greatly. The volunteer department has repeatedly seen how what can feel like small tasks have a great impact not only on the park but also on the volunteers.

- 656 hours of ranger foot patrol were completed for the month of May. The ranger's primary means of patrol is on foot, checking designated trails, conservation areas and park boundaries.
- 3,675 visitor contacts were made for the month of May. A visitor contact may be as simple as assisting the park visitor with directions and may be as involved as having to arrest and remove a disorderly park patron for just cause.
- The following rangers assisted with crowd and traffic control at the at Summit Metro Parks Mother's Day 5K and Native Plant Festival at Munroe Falls Metro Park May 11 and 17: Capt. Josh Hamblen, Sgt. Rebecca Deem, Sgt. Joe Gmerek, Rangers Spencer Forshey, Joe Gonser, and Dan Krieger.
- On May 13-15, Sgt. Joe Gmerek and Ranger Kelly Brown attended the Law Enforcement Active Shooter Emergency Response (LASER) course hosted by the Summit County Department of Public Safety, in collaboration with LSU- NCBRT/Academy of Counter-Terrorism Education at Infocision Stadium. This course addressed technical aspects of planning and implementing a rapid law enforcement deployment to an active shooter incident through classroom presentations, hands-on performance-based field training, and scenario-based practical exercises.
- On May 8 &15, Rangers Joe Gonser and Chris Lloyd represented the Summit Metro Parks Ranger Department Law Enforcement Exploring Program and showcased our program to Manchester High School and Middle School. The presentation focused on information concerning different career paths students could take to becoming a Summit Metro Parks ranger.
- Throughout the month of May, the following rangers presented at the Career Exploration Days hosted by the Community Engagement Department: Chief Doug Shepard & K9 Gus, Rangers Kathy Kwasnik, Kelly Brown and Chris Lloyd.
- On May 14, Ranger Rob Tanner represented the Ranger Department for the Light Ohio Blue caravan. This event occurs during National Police Week which offers honor, remembrance, and peer support, while allowing law enforcement, survivors, and citizens to gather and pay homage to those who gave their lives in the line of duty.
