

# Munroe Falls Boating Rules

## Lake accessible daily, dawn to dusk

- This is the only designated boat-launching area. Boats must be placed by hand in the water at the ramp.
- Vehicles are prohibited in the launching area other than drop-off, and must remain in the asphalt parking lot.
- Boat-launching will be permitted beginning in the spring when the lake is full and conditions allow, through late fall before the lake water level is lowered for the winter.
- If provided, all boaters must sign in and sign out at the kiosk. Boaters under 18 must be accompanied by an adult.
- All watercraft must be licensed by the State of Ohio. State boating and fishing regulations apply.
- Everyone onboard a boat, kayak, canoe, paddle board, etc. needs a wearable life jacket or Personal Flotation Device (PFD), and the PFD must be readily accessible to each person at all times. Children under 10 years of age must be wearing a PFD of appropriate size.
- Swimming from watercraft is prohibited.
- Mooring and docking in undesignated areas is prohibited.
- All boats must remain at least 100 feet from the spillway.
- Only electric motors are permitted. Batteries for electric trolling motors must be placed in leak-proof containers.
- Special events and activities on the lake require a special-use permit, approved by the park district at least four (4) weeks in advance.

**Failure to follow park rules and State of Ohio boating laws will result in the loss of lake privileges and possible criminal prosecution.**
